

FOOD AND AGRICULTURAL RESEARCH AND EXTENSION INSTITUTE (FAREI)

EXPRESSION OF INTEREST (EOI)

Invitation to Potential Suppliers of Precision Agriculture Equipment, Digital Technologies and Software

The Food and Agricultural Research and Extension Institute (FAREI), operating under the aegis of the Ministry of Agro-Industry, Food Security, Blue Economy and Fisheries, invites Expressions of Interest (EOI) from qualified suppliers, manufacturers, distributors and system integrators for the supply, installation, commissioning and after-sales support of precision agriculture equipment, software and digital solutions to farmers.

These EOI forms part of the implementation of the **Precision Farming Scheme**, which aims to modernise the agricultural sector through the adoption of advanced technologies that improve productivity, resource-use efficiency, climate resilience and farm profitability.

The purpose of this EOI is to establish a database of competent suppliers capable of providing innovative and reliable precision farming technologies to farmers benefiting from the Precision Farming Scheme.

Interested firms may express interest in one or more of the following categories:

1. Precision Agriculture Equipment
2. Drone and Remote Sensing Technologies
3. Internet of Things (IoT) and Smart Farming Solutions
4. Farm Management Software
5. Data Analytics and Decision Support
6. Other Innovative Technologies that support precision agriculture, digital farming and climate-smart agriculture.

Note

- This Expression of Interest is intended solely for market sounding and supplier identification.
- Submission of an EOI does not constitute prequalification, shortlisting or a commitment by FAREI to procure any goods or services.
- FAREI reserves the right to amend, suspend or cancel this exercise at any time without assigning any reason.

Interested firms should submit their Expression of Interest in electronic or sealed hard-copy format, clearly marked:

"Expression of Interest – Precision Farming Equipment and Software Suppliers"

The submission should be addressed to:

Chief Executive Officer
Food and Agricultural Research and Extension Institute (FAREI)
Réduit,
or by email to: farei@intnet.mu

Closing Date

Expressions of Interest should reach FAREI not later than Friday, 28 August 2026.
