### **Notice - Market Research Survey for Drone Services**

The Mauritius Society for Animal Welfare (MSAW) is planning to conduct a Dog Population Survey across the island by hiring drone services with thermal imaging from registered Drone Operators in Mauritius.

In light of the above, duly registered Drone Operators are requested to deposit their interest on the project with a copy of their registration certificate in the Bid Box located at MSAW Head office, Moka Road, Rose Hill by **09 March 2026**, at latest 14hr00.

Late submissions shall not be considered.

**27 February 2026**
