

Press Communiqué

**UPGRADING OF JULIUS NYERERE AVENUE (B1) AND
CONSTRUCTION OF B1-M1 LINK ROAD – RDA PROJECT**

**Temporary Traffic Scheme (Re-Alignment of Traffic Lanes) along Northbound Carriageway
on Motorway M1 at Ebene (from Tribeca Flyover to the Slip Lane leading to Réduit)**

The public is hereby informed that road works will be carried out in the northbound direction of Motorway M1 at Ebene, from the Tribeca Flyover to the Slip Lane leading to Réduit.

Accordingly, for the safe execution of the works on site **from Monday 27 April 2026 to Monday 10 August 2026**, the existing three (3) traffic lanes along the northbound carriageway on Motorway M1 at Ebene will be temporarily realigned, extending from the Tribeca Flyover to the Slip Lane leading to Réduit.

Appropriate temporary traffic signs and road markings will be installed on the site to safely guide road users throughout the entire duration of the works.

Drivers are strongly advised to exercise caution when approaching the working areas and to strictly comply within the posted traffic signs along the northbound carriageway on Motorway M1.

The Ministry regrets for any inconveniences caused and relies on the usual cooperation and understanding of the road users.
